The following resolutions were read by J. A. Ousley and adopted:

RESOLUTIONS

Resolved, that we, the Sunflower Association by unanimous vote, extend our thanks to the Baptist church at Sumner and the friends at Webb and Tutwiler, for their kind hospitality to us while in session here; and to the Sumner Sentinel for their reports and notices of this meeting.

Respectfully submitted,

J. A. OUSLEY.
R. L. WILLIAMS.

P. S.—For the lack of funds the secretary has digested reports, condensed the proceedings as much as possible, and cut down the minutes to churches actually contributing funds for that purpose. Further, money for the delegate's expense to the Convention at Washington was ordered sent to the Treasurer of the Association; some was sent to him and $15.00 was sent direct to me; all funds which came into my hands were turned over to the elected delegate. I have endeavored to serve the Association as best I could, but of course, like every one, I have made some mistakes. These will be treated kindly by those who know the hardships of a Secretary. L. F. G.

A DIGEST OF ALL REPORTS

MINISTERIAL RELIEF—The facts showed that there was not enough money contributed to adequately meet their needs, and it was urged that the churches lose not sight of the needs of the old preacher and his widow. The property given by Mrs. Henderson of Greenwood has been returned, because it was found that no one cared to make his home there. The annuity of the Southern Baptist Convention (Dallas, Texas), of which Dr. W. C. Lunsford is Secretary, was recommended for investigation.

BAPTIST ORPHANAGE—Dr. J. R. Carter is Superintendent and manages well the Institution. The Orphanage takes children regardless of their denominational faith. The Orphanage is home-like and is a real home for the children who are there. There they have religious and educational advantages as good as any.

SUNDAY SCHOOLS—The report showed that the Sunday School work is making progress, that the Associational Sunday School Convention was a success, and that they not be neglected; that the Sunday School is not only a place for children but for everybody. Also that earnest attention should be given to training of good and consecrated teachers—and there is a movement on foot to have a normal in every county for the purpose of training Sunday School workers.

WOMAN'S WORK—In the woman's work the report shows that never before has it made such progress. The organization of Mission Study Classes, Young People's Societies and doing personal service by working hard for and co-operating with the 75 millions campaign. The report urges that an effort be made to erect a family altar in every Christian home. Their work has been little short of the highest enthusiasm and sacrifice.

RELIGIOUS LITERATURE—The report deals with the need of religious literature in the homes, churches, and Sunday Schools. It urges that the schools use Baptist literature. The Baptist Record, which has been the property of the Baptists of the state since Jan. 1, 1919.

CHRISTIAN EDUCATION—The report states that the State concerns itself with training the child with view to good citizenship, while the Denominational school looks forward to Christian citizenship. The Southern Baptist Convention has established a Board of Education to stimulate interest in Christian education. Dr. W. C. James of Birmingham, Ala. is secretary. Southern Baptists have three Seminaries—The Southern Baptist Seminary, Louisville, Ky., Dr. E. Y. Mullins, president; The Southwestern Theological, Fort Worth, Texas, Dr. L. R. Scarbrough, president; The Bible Institute, New Orleans, La., Dr. B. H. Dement, president. The Baptists in the state own the following schools: Mississippi College, Clark Memorial, Blue Mountain and The Woman's College. All of these are to have a part of the 75 million dollars raised which will be used for endowments.

STATE, HOME & FOREIGN MISSIONS—All of these interests are now taken care of through the 75 million budget. The reports show that there has been marvelous progress in each department. State missions fosters, Sunday School;

B. Y. P. U., W. M. U. Winter Bible Training Schools, Enlistment, and Associational work; assists in pastoral support and church building. There has been a great harvest of souls this season and it is not yet over. Home missions does much of what the state is doing, and in addition, has a general evangelistic force of preachers and singers. Foreign missions report shows glorious results from the preachers' work, the schools and hospitals and native missionaries. There are over 57,000 members of the church in the Foreign field; 542 churches and one-fourth of them self-supporting.

The 75 million campaign has put all of the work of the Southern Baptist Convention on a basis of success.

These reports have been digested because of lack of funds to have the entire report printed. SECRETARY.

On motion by Dr. Biggs, the Association allowed the Secretary $40.00 for services and $6.00 for mailing, etc., and have the usual number of minutes printed.

The Association adjourned according to previous motion to dissolve, forever terminating the sessions of said body.

W. R. COOPER, Moderator.
L. F. GREGORY, Secretary.
